Quileute Tribal School Environmental Policy Commitment Statement

The Quileute Tribal School is committed to the following general Bureau of Indian Affairs Environmental Policy:

- Implement and maintain the Environmental Management System (EMS) as the primary management approach for coordinating Indian Education environmental operations and activities;

- Comply with all applicable Federal, State, local and Tribal environmental laws and regulations;

- Implement sustainable practices, subject to economic cost/benefit and practical considerations, for energy efficiency, greenhouse gas emission reduction, renewable energy, water conservation, pollution prevention, waste minimization, recycling, reduction or elimination of use of toxic or hazardous chemicals/petroleum products and "green" purchasing among others;

- Integrate environmental, economic and social consideration into mission activities to create sustainable, continuously improving and efficient operations when possible and feasible.

Quileute Tribal School

Approved and re-affirmed by the Board September 13, 2016.
